Press Release:

New GG Collection by Plush

Augusta, GA USA - Fall is going to be bright and sparkling, at least when you look at the new GG collection of dog harness manufacturer Plushusa, LLC.

The company, based in Augusta, Georgia (USA), introduces the new Glitter & Glow - Collection or GG - Collection for the autumn of 2018.

Five glittering colors with glow in the dark Star patterns will complement the portfolio of the Plush harnesses.

The special and unique feature is that the Star pattern glows in the dark.

The Glitter & Glow Harness by Plush not only presents a unique combination of colors and materials, but also provides more safety for our four-legged friends during dusk and dawn.

The GG-Collection will be available in GG-Gold, GG-Navy, GG-Brown (Gun metal), GG-Red and GG-Pink sizes XXXS-XL.

The five new colors are expected to be commercially available worldwide from October 2018.

Parallel to the GG launch, Plush Europe UG (limited liability), will become the European general agent of Plush USA LLC, establishing distribution of the Plush products in Europe.

The Plush Brand was founded in 2010 and is headquartered in Augusta, Georgia (USA). Plushusa, LLC manufactures, sells and distributes its products in the USA, South America, Canada and has a general agency in Europe, Plush Europe UG, Stegaurach (limited liability).
